Dan:

Lets set up a Yakima Weekly as you suggest. I will review in the evening.

Subject: Response to Comments for ET-level Review

All –

Heads up that I am hearing today from Mike Cox that he believes he can get to me Thursday morning a complete set of draft responses to comments on our Sept 2012 Yakima groundwater report. He is hoping that we can turn around feedback by COB Friday, which is pretty tight, as expected, so I wanted to give you a little advanced warning to consider how you might be able to shift around your own calendar(s) to accommodate the review you expect to do.

Unless I hear otherwise, I will assume that all of the “tos” on this message will want to see a set of the responses. We don’t have a “Yakima weekly” scheduled for this week as far as I can tell, but I am happy to set something up, maybe mid-afternoon on Friday?

Meanwhile, I’ll let you know if I hear any changes to what I have indicated here.

Thanks. DanO.
